

Hello from your new school caterers!

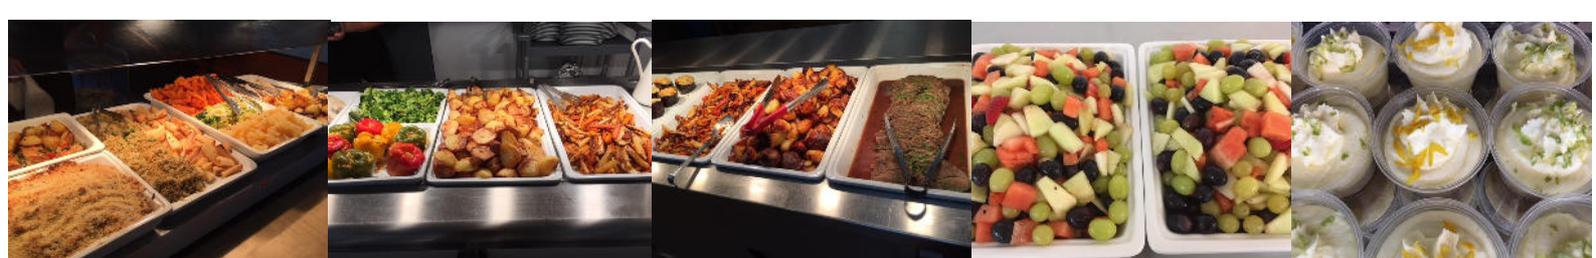

Innovate Services are pleased to have the chance to provide the catering services at your school from 29th October 2018. Our aim, along with the School, is to provide our students with an exceptional catering experience. We plan exciting menus packed with goodness, variety, and attitude. They look and taste great too!

What to expect from Innovate...

✓ New menu

Innovate has long been considered the most inventive caterer in schools and that's because we're very clear about our food: delicious, fresh every day, nutritious and creative. Below is a taste of what's to come:

- A variety of healthy, tasty main meals prepared fresh every day from carefully selected ingredients. The lunch is cooked in a local school by one of Innovate's trained chefs then delivered straight from the oven to the table. The menu will follow a three week cycle using only fresh vegetables and locally sourced meat.
- To order Parents go online and choose from our menu and then you have up until midnight on Saturday to make your selections for the coming week. Simply click and choose from our variety of daily meal options which will include a Dish of the Day such as Roast Gammon or maybe the Vegetarian Alternative of Macaroni Cheese with Broccoli Bites or perhaps a Jacket Potato with a choice of fillings.
- Crudities and fresh bread are served on the tables alongside the main meal as an accompaniment.
- We want all our students to be catered for so we are able to cater for most Allergies.

Over the October half term we will be busy updating the facilities in the main dining area. Once you've tried our service, let us know what you think. Drop us a line on the on primary@innovatefood.co.uk to tell us about your dining experience. We're always happy to hear your feedback on our service.

Yours Sincerely

Wendy Moore
Area Manager
