

Date set: Friday 10th November 2017

Date due: Wednesday 15th November 2017

Spelling

This week we have been developing our spelling and phonics in our new groups. Please complete the spelling task which has been set by your spelling/phonics teacher. Remember this may not be your class teacher; it is the teacher who teaches your spelling /phonics.

Practise using 'read, cover, write and check' method. Challenge yourself to put the words into sentences.

Mrs Brett/Mrs Parsons/ Mrs Budd	Miss Barclay	Miss Squires
Red	Chair	Old
Pin	Stairs	Gold
Bag	Fair	Bold
Tub	pain	Told
got	hair	Think of your own which follow this pattern

Topic

This week we enjoyed a visit from a group of motorbike riders who promote the British Legion charity. You may have also seen the items on sale for the Poppy appeal on the playground. In school this week we have discussed why the poppies are for sale and what they represent. Choose one of the following activities to help others understand why we celebrate Remembrance:

- Write down some facts you find out
- Create a poster or leaflet to share information
- Draw a picture to help people remember
- Create a piece of art

Reading

Please continue to read frequently at home, at least 3 times per week for approximately 10-15 minutes. We are seeing more children handing in their reading journals and progressing along the reading challenge stars. We will be giving the children a choice of prizes each time they reach the end of the trail of stars. Remember it is the number of reading diary entries and not the number of books being completed.

Maths

Please complete the task for your year group.

Year 1	Year 2
This week we have been counting back on a number line to help us to subtract. Draw a 0 – 10 number line in your book and use it to help you count backwards accurately to help you find the answers to the following calculations;	We have been adding a two digit number and ones. Thinking carefully when the answer goes into the next 10. Choose one of these 2 digit numbers 12 32 45 65 78 87

$9 - 4 =$

$7 - 5 =$

$10 - 8 =$

$7 - 7 =$

$8 - 4 =$

Add each one of these numbers to the number you choose

1 2 3 4 5 6 7 8 9

Thank you for your support

Have a fantastic weekend

The Year 1 and 2 Team
