Date set: Friday 17th November 2017

Date due: Wednesday 22nd November 2017

Spelling

This week we have been developing our spelling and phonics in our new groups. Please complete the spelling task which has been set by your spelling/phonics teacher. Remember this may not be your class teacher; it is the teacher who teaches your spelling /phonics.

Practise using 'read, cover, write and check' method. Challenge yourself to put the words into sentences.

Mrs Brett/Mrs Parsons/ Mrs Budd	Miss Barclay	Miss Squires
jam	Hear	We have learnt about syllables. Break these words into syllables: donkey shaker playing flowering untrue elephant piper exciting
van	Fear	
box	Year	
six	Tear	
back	rear	

Topic

We have started to learn our songs for our nativity performance of A Miracle in Town. Please encourage your child to practise the songs at home. If they are unsure of how to sing it, learning the words will really help.

WE'D LIKE TO TELL YOU A STORY

1. We'd like to tell you a story,

Would you like to hear it?

A wonderful story that happened long ago,

About a baby boy

Who filled our hearts with joy

And He was born in Bethlehem.

2. We'd like to tell you a story,

Would you like to hear it?

A wonderful story that happened long ago,

It was a special night,

The stars were shining bright,

And He was born in Bethlehem.

    3. We'd like to tell you a story,

Would you like to hear it?

A wonderful story that happened long ago,

About a baby boy

Who filled our hearts with joy

And He was born in Bethlehem.

Reading

Please continue to read frequently at home, at least 3 times per week for approximately 10-15 minutes. We are seeing more children handing in their reading journals and progressing along the reading challenge stars. We will be giving the children a choice of prizes each time they reach the end of the trail of stars. Remember it is the number of reading diary entries and not the number of books being completed.

Maths

Please complete the task for your year group.

Year 1	Year 2
We have been comparing statements about number. Please use greater than, less than or equals to compare the following statements. 5 is _____ 8 6 is _____ 3 8 is _____ 5 + 3 7 is _____ 9 5 is _____ 1	We have been subtracting a one digit number from a two digit number. Thinking carefully when the answer goes into the previous 10 e.g. 27-8=19. Choose one of these 2 digit numbers 17 38 49 65 76 83 Add each one of these numbers to the number you choose 1 2 3 4 5 6 7 8 9

Thank you for your support

Have a fantastic weekend
