

Year 1 and 2 Homework

Date set: Friday 20th April

Date due: Wednesday 25th April

Spelling - This week we have been assessing our spellings. Therefore you will be given new spellings next week. You could use this time to practise any words that you know you find tricky.

Topic

You have been given a super exciting grid of activities, which will give you some clues about our next topic. Please refer to the grid and choose one activity to complete this week.

Reading - Please continue to read at least 3 times a week and record this in your Reading Journal. Please remember to hand in your reading journal so we can move you along the reading challenge.

Maths

Please login to your MyMaths account and complete the tasks set. If you cannot login this is what we have been learning:

Year 1

Next week we will be learning about multiplication. Can you please practise counting in 10s.

Year 2

Have been learning about the fraction $\frac{1}{3}$. What does this mean? Can you practise finding a third using shapes? Can you divide a set of things into 3 equal groups?

Thank you for your support

Have a fantastic weekend

The Year 1 and 2 Team
