Please continue reading at least 3 times a week with your child.

This can be any reading, not just the book sent home from school. Reading a favourite book, a magazine, research they have done on the internet or finding a new book to share from the library; all of these can be entered into the diary. An entry in the journal does not have to be at the end of a book, it is for each time your child reads to you - even if it just a page!

Maths

Continue to support your child using MyMaths. If you have any problems using MyMaths, please speak to your child's class teacher.

Year 1

This week we have been continuing to look at addition and number bonds. We have been using counting on to find missing numbers.

Example - $5 + \underline{\quad} = 7$

We have also been looking at number bonds up to 10 (6+4, 3+7, 9+1 etc). Please help your child to practise these.

Year 2

We have been continuing to work on addition number facts. Please continue to help your child develop their fluency.

Have a fantastic weekend
