Topic

This week we launched our new topic and had a visit from some cars from different times through history – the oldest one was almost 90 years old!

Which kind of transport is your favourite?

Draw a picture and/or write some facts that you can find out about it. This could be any type of vehicle you like, old or new.

Reading

Please continue to read frequently at home, at least 3 times per week for approximately 10-15 minutes. We are seeing more children handing in their reading journals and progressing along the reading challenge stars. We will be giving the children a choice of prizes each time they reach the end of the trail of stars. Remember it is the number of reading diary entries and not the number of books being completed.

Maths

Please use your MyMaths login to complete the tasks that have been set for you.

If you are unable to login for any reason this is what we have been working on in class:

Year 1 : Breaking numbers up into tens and ones e.g. 14 has 10 and 4. 21 has two tens and a one.

Year 2 : Division by sharing into equal groups and using our times tables to help us, e.g.

$18 \div 2 =$ I can get 18 objects and share in to two groups or I can count in twos up to 18

$15 \div 5 =$ I can get 15 objects and share in to 5 groups or I can count in fives to 15

Thank you for your support.

Have a fantastic weekend
