Topic

Today in school we have been learning all about the history behind Bonfire Night. If you are going to any fireworks displays this weekend please encourage your child to use adjectives to describe what they can see, hear, smell and feel. Make a note of these adjectives in your homework book. If you take any photos at a fireworks display we would love to see these too,.

Reading

Please try to read at home with your child at least 3 times a week for approximately 10-15 minutes. It is great to see so many children getting excited about our reading challenge. Children are moved along the trail as they complete reading diary entries. This will be for each reading diary entry not for every book they read – this takes into consideration times when children may read a few pages at a time. We will be awarding certificates along the way and a prize when your children reaches the end.

Maths

This week in maths we have been experimenting with different ways to add and subtract. For homework we would like the children to complete the calculations below. When they are complete please ask your child to explain to you how they solved each calculation.

Year 1	Year 2
15 + 3 =	24 – 5 =
14 – 9 =	30 + 40 =
8 – 5 =	94 – 30 =
5 + 11 =	17 + 9 =
7 + 4 =	62 + 20 =

Thank you for your support.

Have a fantastic weekend!
