Date due: Tuesday 9<sup>th</sup> October 2018

### Reminders for next week:

We will be sending a letter home with further details about our visit to the fire station. We will be walking there on Friday 12<sup>th</sup> October and would appreciate any parent helpers throughout the morning.

We still need any cardboard packaging to be able to make our Fire of London houses, please send them in.

Please continue reading at least 3 times a week with your child.

This can be any reading, not just the book sent home from school. Reading a favourite book, a magazine, research they have done on the internet or finding a new book to share from the library; all of these can be entered into the diary. An entry in the journal does not have to be at the end of a book, it is for each time your child reads to you - even if it just a page! We have started our reading tree challenge so please hand in diaries regularly.

### Maths

Continue to support your child using MyMaths . If you have any problems using MyMaths, please speak to your child's class teacher.

#### Year 1

We have been saying the number one more and one less than numbers up to 10. You could play a game with a dice and say the number one more or one less.

#### Year 2

We have continued to secure our understanding of tens and ones in two digit numbers. It would help to practise counting in tens up to 120 (and further if you want to!)

Have a fantastic weekend
