

Year 1 and 2 Homework

Date set: Friday 8th June 2018

Date due: Wednesday 13th June 2018

Spelling

Year 1: In preparation for the Phonics screen please play the game;

<https://www.phonicsplay.co.uk/BuriedTreasure2.html> to revise all the phonics sounds you have been learning.

Year 2: Continue to confidently and independently spell all of the common exception words.

English/Topic

Alongside this you will also receive a grid of super exciting activities. Please choose one of the activities to complete this half term, to be brought into school by Friday 13th July 2018.

Maths

Please log in to your MyMaths account and complete the tasks set.

In class we have been;

Year 1 - Learning about position and direction and using the language; half turn, whole turn, quarter turn.

Year 2 - Completing investigations using our number skills.

The tasks set may be linked to previous learning or areas that we will be learning about soon. This helps us to see what the children have remembered and what they need to learn next.

Reading

Please could you continue to read with your child at least 3 times a week for around 15 minutes. Talk about the book and consider asking:

What has happened so far?

What do you think would happen next?

Are there any words you don't know the meaning of?

Which words stood out and why?

If you have any queries about homework please speak to your child's class teacher.

Thank you for your support and have a fantastic weekend.

The Year 1 and 2 Team
