

## Year 3/4 Homework

**Date set:** Thursday 27<sup>th</sup> September 2018

**Date Due:** Tuesday 2<sup>nd</sup> October 2018

### **Topic**

We have been thinking about the different foods that the Stone Age people would have eaten as a result of hunting and gathering. Early humans would cook fruit to preserve it. Why don't you try cooking up some fruits and nuts? Hazelnuts with any kind of berries would work. Stir them together, add honey and slowly bring to the boil. Simmer for 20 minutes then leave to cool.

### **Reading**

Please remember to try and read at home at least 3 times a week and make a note of this in your reading diary.

### **Maths**

Log onto my maths to find this week's challenge.

### **Spelling**

Please learn the spellings for your year group. Can you think of any other words with the same pattern? Can you use the words in sentences?
