

Spelling

Y5 – Please provide evidence that you have been practising your personal spelling words.

Y6 – We have been working on words containing the *-ough* string. Put the following words into adventurous sentences:

rough *thought* *cough* *although*
enough *dough* *drought* *brought*

History/ English We have been discussing the term “living memory” and how history is passed on orally. For homework, we would like you to interview at least one family member about a historic event that they remember but which is beyond your living memory. For example, death of Princess Diana, the Great Storm of 1987, the fall of the Berlin Wall, when Nelson Mandela was granted his freedom.

Maths

Homework has been set on MyMaths. If you have any problems accessing MyMaths at home, please see your teacher and make sure you have time access MyMaths during morning activity so that the tasks are completed by the due date.

This homework is due in by Wednesday 18th January. Please see your teacher if you have any queries.

Reminder: The Year Group trips to Weald & Downland Museum will take place on Monday 29th January for Year 6 and Wednesday 31st January for Y5. The children will need waterproof clothing, sensible shoes, water-bottle and a packed lunch. Please remember to cancel hot lunches if your child normally have one. Children in receipt of free school meals will receive a packed lunch.
