

Year 6 Homework 13.12.18

English

You have explored lots of poetry this term. Create a Christmas poem to share with the class. It should show off your learning this term so should include some of the following: a variety of figurative language, adventurous vocabulary, noun phrases, compound words, synonyms, antonyms, as well as poetic techniques such as rhyme or repetition.

You need to be prepared to perform your poem to the class. You may read it, but could memorise it if you want. Think about pace, expression and intonation. You may also want to include actions.
