

Homework for year 5/6 - 14/6/18

English We have had a fabulous trip to Warner Bros. Studios this week. Please create an independent piece of writing in response to our trip. There are many different things you could do including: a recount, a diary entry, a short story inspired by the trip or a leaflet for the studios. It **must reflect** that you are Year 5/5 and the skills in writing you have developed this year, including proof-reading.

Music Please continue to learn your lyrics for the songs for Joseph!

Maths

Y5 Do the task on the attached sheet.

Y6 Mrs Whittaker Please use the website: <https://nrich.maths.org> and click on the Primary Pupils section "take a fresh look". Investigate one or more of the activities and provide a brief write-up in your Homework Journal to explain what you did. The menu on the left hand side of each problem gives you tips for getting started and a link to submit your own solutions to the website.

Y6 Mrs Stewart Geometry tasks have been set on MyMaths. Please complete and ensure you have no outstanding tasks.

This homework is due in by Tuesday 19th June. Please see your teacher if you have any queries.
