

**Homework for Year 6**  
**18/5/18**

You have all been working incredibly hard this week on your SATs. We would like to thank you for the patience, resilience, focus and good humour you have all shown this week, and all the ways in which you have supported and encouraged each other.

For homework this week we would like you to spend time with your family. Talk to them, hug them, have some chill-out time with them. Walk in the park. Watch some TV together. You deserve it!

(Rest assured normal homework service will be resumed next week! 😊)

## Homework for year 5 - 18/5/18

**English** - Next week and after half term, we will be starting our short stories based in the JK Rowling universe. You will be including your magical creature and any other characters you want. Write a story mountain to help you to plan your story. Don't forget to write a list of characters that you want to include.

**Spelling** - Please practice any spellings from the 5/6 list that you struggle with using any of the strategies we have learnt e.g. rainbow write, bubble write, pyramid write ect.

**Maths** -

### Question 1

Convert these percentages to decimals and fractions :

- a) 75%      b) 48%      c) 15%      d) 5%

Convert these decimals to percentages and fractions :

- e) 0.23      f) 0.04      g) 0.79      h) 1.0

### Question 2

Convert these decimals to fractions and percentages :

- a) 0.7      b) 0.55      c) 0.42      d) 0.35

Convert these fractions to decimals and percentages:

- e)  $\frac{7}{10}$       f)  $\frac{1}{20}$       g)  $\frac{3}{25}$       h)  $\frac{4}{5}$

Make sure all MyMaths tasks are up-to-date and you have nothing still outstanding. Use the MyMaths site to review any areas of work that you still need to practise.

This homework is due in by Wednesday 23<sup>rd</sup> May. Please see your teacher if you have any queries.
