

English

Y5 We have been writing playscripts. Use your copy of your script as a stimulus and write your own scene for your play.

Y5 and Y6 We have been learning how to write using the passive voice. Find 6 examples of passive voice in your reading books. Copy them into your Homework Journal and then change them into the active voice.

If you struggle to find passive voice, do the activity in reverse!

Maths

Y5 Create at least 3 bar models showing your understanding for **each** of the following:

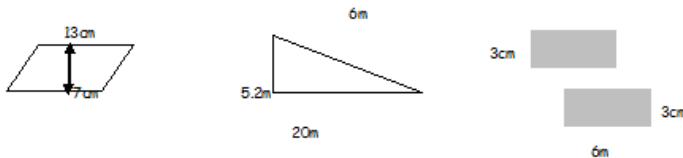

a) equivalent fractions, b) improper fractions and c) mixed numbers

Y6 Mrs Whittaker

You have been learning to convert metric measurements to imperial measurements and vice versa. Use atlases or the internet to find out the distances from Worthing to a range of places you have visited. Convert these distances so that you represent them as both metric and imperial measurements.

Y6 Mrs Stewart

You have been learning different algebraic formulae to calculate area of rectilinear shapes, triangle and parallelograms. Explain what the different formulae are and use them to calculate the areas of these shapes

Make sure **all** MyMaths tasks are up-to-date and you have nothing still outstanding.

This homework is due in by Wednesday 14th March. Please see your teacher if you have any queries.
