

St Mary's Catholic Primary School

part of Bosco Catholic Education Trust

*Striving for Excellence in all that we do
as we learn to live like Jesus*

3rd October 2018

Dear Parent

From Monday 29th October we will be transferring to ParentMail. The benefits to this are that we will send Communications home through ParentMail and also have a free, secure mobile App for you to pick up school communications on the go!

PMX will be beneficial to you because you can:

- use a free, secure mobile app on Android and iOS to pick up school messages instantly;
- have an account simply for school messages (away from your busy email inbox!);
- connect to other schools, nurseries or clubs that use ParentMail;
- highlight important messages or archive old messages to make life easier;
- update your contact details within the secure mobile app.
- Messages can be sent directly to mums, dads and carers – even grandparents!

Registering with ParentMail is very easy! Over the next few weeks you will be sent either an email and/or text message from ParentMail; when you receive this please just follow the instructions in the message.

Once registered, if you have an Android or Apple smartphone, we would highly recommend you download the ParentMail App for the best user experience. To do this, simply search for "ParentMail" in your App store.

Please be assured that ParentMail is registered with the Information Commissioner and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

If you need any additional information or assistance, please visit the help site: www.parentmail.co.uk/help/parenthelp/. or if you have not received any contact from ParentMail by 18th October please contact Mrs Shelton in the school office.

Yours sincerely

Mrs G Irvine
Head Teacher
