

St Mary's Catholic Primary School

Learn; Love; Pray

21st January 2019

To the Parent/Carer of Pupils in St Josephine class

Dear Parent/Carer

St Josephine class has won a class prize on Classopoly and the treat chosen by the children is time using **hand-held** electronic devices, such as mobile phones, DS and other hand-held games consoles.

This has been agreed by Mrs Irvine for **Thursday 24th January**. On this day, the children can bring in a **named** hand-held electronic device which must be handed in to me in the morning. Your child will use it during the reward time, and it will then be returned to your child at the end of the day.

Please note that I will do all within my control to ensure that these devices are stored safely and securely; however neither I nor the school can be held liable for any loss or damage unless a direct result of negligence.

May I take this opportunity to remind you that, other than for specific occasions such as this, hand-held and other electronic devices should not be brought into school. Should a child need to carry a mobile phone as they walk to or from school by themselves, the phone is their responsibility, must remain in their bag for the duration of the school day and be used only when they leave school.

We look forward to some fun and rewarding time with hand-held devices on Thursday.

Yours sincerely

Mrs V Stewart
Class Teacher
