

St Mary's Weekly News

More than just a school - Living; Loving; Learning

Week ending 20/05/2022

Dear Parents and Carers,

How can it be the end of another week already! It actually feels like we have experienced all four seasons of weather in the last few days.

I need to investigate what is going on in St Elizabeth Class (Year 4) at the moment. I fear the children have been replaced by little robots that look just like them! They are working and learning at an amazing pace and trying and succeeding at every new challenge they face. They have also given me a new challenge this week ... they have recorded a podcast and I am challenged with finding a way to share it online. This is proving harder than I expected...once it is available I will send a Parentmail telling you how to find it. It is wonderful! Every child has worked so hard. Mrs Stewart told me, "St Elizabeth have made an amazing podcast about Ancient Egypt as part of our computing. Every child speaks clearly! Mega impressive!"

We are looking forward to seeing as many of you as possible next week to join us for our Statements To live by Collective worship. These will take place in your child's classroom. I'd like to remind you that this is an opportunity for you to join in one of our weekly liturgies - it is not a sharing of work but rather a sharing of time, reflection and prayer.

In this Sunday's gospel, Jesus gives the disciples a very special gift – the gift of peace. How do you think you can help to build peace? Think about how you speak to and treat others who you disagree with, or how you could be friendly to someone who doesn't have many friends? What could you do to stop someone else from being unkind to others? Or, how could you let people in power know that you would like to live in a peaceful world? It is also essential to have peace with ourselves as all too often we work really hard to be kind to others and our own inner voice is then unkind to us. How will you share the gift of peace this week in your community? And around the world? With yourself?

Hope you all have a fabulous weekend

Mrs Irvine
