- Evaluating ideas.

Music

- Develop confidence in performance
- Read traditional music notation.
- Identify music from different historical periods.
- Improvise and compose music.

Computing

- Internet safety
- Designing algorithms.
- Using different softwares.

Reminders and additional information

PE days are: Wednesday & Friday

With the exception of PE days, children are expected to be in full school uniform every day. For Key Stage 2 children this includes a shirt and tie.

Please remember to send your child to school in their full PE kit on the correct days, as above. St Mary's PE kit is a purple t-shirt and black shorts, in colder weather children may wear black leggings or jogging bottoms and their school jumper, plimsolls or black trainers are acceptable. PE is currently being taught outside and will be for the foreseeable future.

Reading Diaries should be brought into school each day. Children should record in their reading diaries each time they read at home, they will then be able to move up the reading challenge on display in class. We encourage children to try to read at home at least 3 times a week.

Please encourage your child to log onto TTRockstars and Spelling shed each week.

Year 6 - Summer Term

The Way We Were

The Big Picture

This term we will be learning all about The Victorians and the impact they have had on our lives today. We will be reading the story of *Oliver Twist* and thinking about the lives of Victorian children. We will also be working towards a class performance of an adaptation of *Oliver Twist* called 'Olivia'. We will spend the second part of the term thinking about our time at primary school and preparing for the transition to secondary school. We will focus on how we have changed and what is going to happen next.
