## Computing

Algorithms

Explore Scratch to create mini games

## Reminders and additional information

We would love you to work with us, - if you have a skill e.g. cooking, personal training, dentistry, film making that would enhance our topic or you have links to people who might come in to share their knowledge, please speak to your class teacher. If you have any time to hear readers we are always in need!

Spelling and maths homework will be sent home every Thursday, to be returned the following Wednesday. Creative choice homework will be due once a term.

PE days are as follows:

St Clare: Monday and Tuesday

St David: Tuesday (swimming) and Friday

St Elizabeth: Monday and Friday

Please make sure PE kits are in school every day as we may need them on additional occasions. Please ensure earrings can be removed or covered by your child if they are freshly pierced. Long hair should be tied up for PE.

Year 3 and 4 -Summer 2019

**Stunning Start** - Operation!

**Fabulous finish** -We invite you to the premiere of our own cookery programs!

**The Big Picture** - we will be exploring the internal workings of our bodies and creating our own information books. We will investigate nutrition and Healthy Eating and create a range of healthy snacks. We will explore animation and filming and use these skills to design a cookery programme, which will be premiered at our fabulous finish!
